IMPORTANT SAFEGUARDS

When using any electrical appliance, always follow these basic safety precautions:

⚠️ WARNING--To reduce the risk of fire, electric shock, or serious personal injury:
- Always ensure the product is unplugged from the electrical outlet before relocating, assembling, disassembling, or cleaning it. Always unplug the product from the electrical outlet when it is not in use.
- Keep the product out of the reach of children and pets. This product is not intended for use by children. Close supervision is necessary when using this appliance near children.
- Do not leave the product unattended while it is in use, especially when children are present.
- Do not immerse power cord, plug, or product in water or other liquids. If the product falls into water, immediately unplug it from the electrical outlet. Do not touch or reach into the water.
- Keep the Power Cord and product away from heated surfaces.
- Do not plug/unplug the product into/from the electrical outlet with a wet hand.
- To disconnect the product from an electrical outlet, pull directly on the plug, do not pull on the power cord.
- Always operate the product with the cover in place.
- Do not put any stress on the Power Cord where it connects to the product, as the Power Cord could fray and break.
- Do not operate the product if it has a damaged or cut Power Cord or plug, if wires are exposed, if it malfunctions, or if it is dropped or damaged. This product has no user-serviceable parts. Do not attempt to examine or repair this product yourself. Only qualified service personnel should perform any servicing; take the product to the appliance repair shop of your choice for inspection and repair.

⚠️ CAUTION--To reduce the risk of personal injury or product/property damage:
- This product is intended for indoor, non-commercial, non-industrial use in processing foods for human consumption. Do not use the product outdoors or for any other purpose.
- Always operate the product on a flat, stable surface.
- Do not attempt to open any part of the Motor Housing.
- Do not let cord hang over edge of table or counter where it may be tripped over or pulled.
