MINI FOOD CHOPPER
MODEL NO.: NMC-120
(CI-9202AC)

INSTRUCTION MANUAL
FOR HOUSEHOLD USE ONLY
BEFORE FIRST USE
- Wash bowl, lid, knife blade and whipping attachment in warm soapy water and dry thoroughly. These parts are dishwasher safe.
- Use a damp cloth to clean the exterior of the base; do not immerse the base in water.

TO ASSEMBLE
- Place the unit on a flat surface. The rubber feet will prevent the unit from slipping during operation.
- Place the bowl onto the base. Line up the locking tabs on the bowl and the base, then turn the bowl clockwise until it is kept firmly in place.
- Slide the knife blade slowly down the shaft. Do not touch the blade as it is extremely sharp.
- For whipping purpose, line up the notch on the center-post with the groove on the attachment, then slide the whipping attachment down on top of the knife blade. *(OPTIONAL FEATURE)*
- Place the lid on the bowl. Note that the extended tab of the lid is on the same side as the base slot. Turn the lid fully clockwise.

Note: For safety, this unit has an interlocking system. The unit will not operate unless the extended tab is correctly located within the base slot. Do not attempt to start the unit without the lid being correctly placed.
MODEL NO. NMC-120 (CI-9202AC)

IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always be followed including following:
- Read all instructions.
- To protect against risk of electrical shock do not put cord, plug and base in water or other liquid.
- Close supervision is necessary when any appliance is used near children.
- Unplug from outlet when not in use, before putting on or taking off parts, and before cleaning.
- Avoid contacting moving parts.
- Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions, or is dropped or damaged in any manner. Return appliance to the nearest authorized service facility for examination, repair or electrical or mechanical adjustment.
- The use of attachments not recommended or sold by the manufacturer may cause hazards.
- Do not use outdoors.
- Do not let cord hang over edge of table or counter, or touch hot surface.
- Do not place the unit on or near a hot gas or electric burner, or in a heated oven.
- Before removing cover, be sure the knife blade has stopped turning completely.
- To avoid possible injury do not insert, remove or touch blades when plugged into electrical outlet.
- To avoid injury, do not place knife blade on base without presence of the bowl.
- The blades are sharp. Handle carefully and keep out of reach of children.
- For safety, this unit will operate only when the lid is properly placed. Do not attempt to defeat this interlocking system.
- This unit is designed for processing small quantities of food for immediate consumption, larger quantities should be processed in small batches.
- This unit is designed for 'pulse action' use only. Avoid using it continuously for periods over 1 min.
- Do not operate the appliance when empty.
- Check bowl for presence of foreign objects before operating.
- To avoid fire hazards do not operate in the presence of explosive or flammable fumes

SAVE THESE INSTRUCTIONS

CAUTION:
This product has a polarized plug (one blade is wider than the other as a feature to reduce the risk of electrical shock). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter plug.

CAUTION: Do not immerse in water.
TO USE
- Place food in bowl. The Mini-chopper is designed to process about ½ cup of dry food at a time. Larger amounts should be processed in small batches.
- With the lid correctly placed, depress the button for a few seconds. Do not overprocess as most foods can be processed in less than 6 seconds.

Note: For coarsely chopped foods, use repeated short pulsing until the desired consistency is reached.

- Be sure the blade has stopped turning completely before removing the lid.
- Lift the knife blade up before emptying the contents of the bowl.
- Use a spatula to remove the processed food the unit.

USER MAINTENANCE
- Immediately after use, wash bowl, lid, knife blade and whipping attachment in warm soapy water, dry thoroughly. All these parts are dishwasher safe. Be careful when handling the knife blade, as it is extremely sharp.
- Wipe off the base with a damp cloth; do not immerse the base in water.
- Any other servicing not recommended by the manufacturer may cause hazards and should only be performed by an authorized representative.
